Child Family Life Practicum Application

Dear Applicant,

Thank you for your interest in the Child Family Life Practicum at the University of Minnesota Masonic Children’s Hospital. This program is highly recommended for individuals who are considering a career as a Child Life Specialist. We are excited to offer this program at our large, leading children's hospital.

This program is intended to introduce individuals to the field of Child Life, as well as provide experiences in a healthcare setting with children, adolescents and their families. You will be supervised by a Certified Child Life Specialist as you observe interactions with patients and families and learn about the Child Life profession.

Pre-requisites include:

- Completion of some secondary education courses in related field (human development, family studies, education, etc.)
- Completion of a Child Life course taught by a Certified Child Life Specialist
- Comfortable working with children and families in hospital setting
- Ability to be physically active (ie: standing and walking for long periods of time)
- Ability to mentally and verbally process experiences seen with child life specialist
- Ability to complete 100 observation hours within a 10-week timeframe
- Ability to complete Child-Family Life Volunteer project hours outside of practicum hours for hands on learning within the department.

If selected, practicum students will also need to complete volunteer orientation, provide proof of vaccinations, complete a TB test, and pass a criminal background check.

Application submission deadlines are as follows:

<table>
<thead>
<tr>
<th>Practicum session</th>
<th>Application deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall</td>
<td>March 15&lt;sup&gt;th&lt;/sup&gt;</td>
</tr>
<tr>
<td>Winter/Spring</td>
<td>October 4&lt;sup&gt;th&lt;/sup&gt;</td>
</tr>
</tbody>
</table>

Due to the expectation that we provide students with a quality supervision and education experience, at this time, we are only able to accept one practicum student a session. Application is not a guarantee of acceptance.

If you have questions please email kweston2@fairview.org or call Child Family Life at (612)273-3109.

Thank you,

Kristen Weston, CCLS
Child-Family Life Department
University of Minnesota Masonic Children’s Hospital
**Practicum Job Description**

This practicum is intended to provide an observational opportunity to those interested in the child life profession. This practicum offers a minimum of 100 hours of supervision designed to prepare the participant for a more internship experience in child life or related field.

The participant will have opportunities to observe child life interactions on a pediatric inpatient unit, radiology and pediatric sedation unit. We hope to enhance the understanding of child development and effects the hospital experience can have on children as well as the value of play. The participant will gain a better understanding of the role of a child life specialist in a healthcare team. Opportunities to observe medical play, preparation and procedural support will be provided by various child life staff.

The participants will also have the opportunity to facilitate the Activity Cart and aid the Child-Family Life Department with organizational tasks. By doing this, the participant will gain valuable insight to the inner workings of a Child Life Department, learn how to manage materials and resources, and engage with patients and families one-on-one with the Activity Cart.

**Participant Expectations**

Participant will be required to complete daily journal entries, written assignments, weekly meetings, complete hands on CFL Volunteer hours, and attend rounds. We expect participants to be open with written and verbally processing of their experiences. Participants may find the practicum physically demanding. Participants will experience periods of time of standing and walking. Details will be provided in orientation of practicum site. Consistent attendance and clear communication with the child life team is expected.
